INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington DC 20231

RECEIVED

JAN 09 2003

Sir:

Technology Center 2600

Further to the (two-part) Electronic Information Disclosure Statement filed simultaneously herewith in connection with the above application, the applicant is filing this paper Information Disclosure Statement to make of record foreign patents and applications and non-patent references. The references which it is desired to make of record are listed on the accompanying Form PTO-1449 and copies are enclosed.

All of the references filed herewith are in the English language so that, pursuant to 37 CFR 1.98(a)(3), no statement of the relevance of each reference is required.

Certain of the references filed on the Electronic Information Disclosure Statement were drawn to applicants' attention in the International Search Report issued in connection with the corresponding International Application PCT/US02/10267; a copy of this International Search Report is being filed herewith.

The Examiner is respectfully asked to note that certain prior art documents referred to in the application are not being supplied herewith, since upon reconsideration it has been determined that they simply repeat the disclosures of other documents which are being supplied, as follows:
